

CLASSROOM ACTIVITY

SHOO FLY!

Students Say, "Shoo!"

Put the words of this story on chart paper.

After reading and singing this story several times, your students will not be able to resist joining in.

Discuss how they would feel if they were the mouse. Would they tell the fly to "shoo" in a nice voice or an angry voice?

Encourage your students to sing the verses with the appropriate emotion.

Have students write and/or draw about an annoying experience they had and how they dealt with it.
